SCALE: 1:100,000

NOTES:
For planning purposes only. This map has been prepared as part of a strategic regional planning program and should be used only in conjunction with the goals and policies of the NORTHEAST FLORIDA STRATEGIC REGIONAL POLICY PLAN.
It is inappropriate to use this map for development proposals or permit reviews. The information does not, nor should be interpreted to represent the jurisdictional limits of any federal, state or local regulatory program. The delinlation of resources on this map is not intended to establish the future geographical scope of such programs.

Identification of named existing or proposed reserves/preserves, wildlife management areas, state forests, national forests, historic sites santuary and state parks is solely for plannig purposes and not for regulatory purposes. The actual line delineating the boundaries of such Natural Resources o f Regional Significance as designated by the applicable federal, state or regional agency, which boundary for all purposes shall take precedence over any mapping of Natural Resouces of Regional Significance. Better, site specific data, if available, for any feature or resource as shown on this map should be used to identify whether any natural resource of regional significance is in fact present on that site.

Map Prepared by
NORTHEAST FLORIDA REGIONAL PLANNING COUNCIL
