DeLand, FL 32720

Dear Sir / Madam:

The Northeast Florida Regional Council has contracted with Putnam County to assist the County in the preparation of its Evaluation and Appraisal Report (EAR), which is required pursuant to S. 163.3191, Florida Statutes. As part of that process, major issues will be identified for Putnam County as required in S.163.3191, F.S.

In order to gain input from reviewing agencies and other interested parties, Putnam County is hosting a "Scoping" meeting on February 5, 2008 at 9:00am. The meeting will be held at the Putnam County Agriculture Center, which is located at:

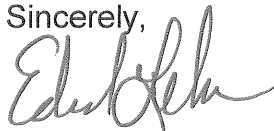

Putnam County Agriculture Center
111 Yelvington Road
Suite #1
East Palatka, Florida 32131.

The purpose of the meeting is to distribute data and resources available to assist in the preparation of the EAR, to provide input on those major issues in each community that should be addressed in the report, and to advise on other issues that should be addressed and the extent to which they will be addressed in the EAR.

We request that you or another representative of Chamber of Commerce attend this meeting.

Thank you and I look forward to seeing you on February 5, 2008.

Sincerely,

for
Guy Parola, AICP
Planning and Development Program Administrator
