October 2007

## 2007 Elected Officials Reception and Regional Leadership Awards Ceremony Blends Networking with Recognition of Outstanding Accomplishments

For the past six years the Northeast Florida Regional Council has taken great pleasure in hosting a reception for elected officials and friends to enjoy an evening of good food, fellowship and conversation which fosters the growing sense of regionalism and regional cooperation that exists in Northeast Florida. 2007 marked the fifth year the reception was coupled with Council's Regional Leadership Awards Ceremony.

The Awards Program was designed to recognize Regional Excellence in a variety of critical arenas essential to positioning our Regional Community as a model of cooperation and coordination. The outstanding nominations submitted again reflected the diversity of programs and projects, the quality of these efforts and the leadership demonstrated by the nominees.

Eric Smith, was back by popular demand as the emcee for the festivities. The evening was underwritten by a plethora of generous sponsors from the public, private and educational sectors. The Northeast Florida Regional Council extends its gratitude to all of the sponsors who made the event possible, in particular the Title Sponsors for the evening: *The Jacksonville Transportation Authority* and the *Northeast Florida Association of Realtors*.

The event was a glowing example of all that makes the Northeast Florida region shine. The award recipients and additional details of the event appear on the reverse side of this issue of Highlights.
