Monthly Report of the Northeast Florida Regional Council

November 2008

THE 2008 NORTHEAST FLORIDA ELECTED OFFICIALS RECEPTION & Regional Leadership Awards Ceremony

For the past eight years the Northeast Florida Regional Council has taken great pleasure in hosting a reception for elected officials and friends to enjoy an evening of good food, fellowship and conversation which fosters the growing sense of regionalism and regional cooperation that exists in Northeast Florida.

In 2003, in response to the high level of Regional Excellence in a variety of critical arenas, the Council launched the Regional Leadership Awards Program. This marks the sixth year the Awards Ceremony has been incorporated into the festivities. The outstanding nominations submitted again this year, reflect the diversity of programs and projects, the quality of these efforts, the leadership demonstrated by the nominees and the truly meaningful work that is being accomplished in the Region.

Regional Council President, Nassau County Commissioner Mike Boyle (pictured above right) served as the emcee for the Award Ceremony portion of the evening. University of North Florida President, John Delaney (pictured lower right), was honored as the 2008 recipient of the Harry Waldron Regional Leadership Award.
