

The Regional Award for Excellence in Environmental Stewardship

Purpose

To recognize individuals, organizations, or specific projects whose primary focus is the long-term protection, conservation and enhancement of the region's natural resources, or foster environmental stewardship in the region through demonstrated leadership or through the promotion of environmental awareness through actions or specific programs.

Criteria

For individuals or entities:

Consideration will be given to nominees based on their:

- 1) demonstrated commitment for the long term protection, enhancement and stewardship of the natural resources of Northeast Florida;
- 2) responsibility for promoting environmental awareness or education;
- 3) direct activities or actions that resulted in the protection or enhancement of the regions natural resources; or
- 4) demonstrated leadership resulting in the conservation, enhancement or stewardship of the regions environment.

For projects:

Consideration will be given to projects or programs which have either:

- 1) resulted in the long-term protection of natural resources and the environment of the region; or
- 2) demonstrated environmental sustainability and protection of natural resources through unique or innovative design or planning; or
- 3) promoted awareness and environmental stewardship in the regional community.
