

The 2009 Harry Waldron Regional Leadership Award

Purpose

To recognize the activities of an individual who has exhibited an unrelenting enthusiasm for regional coordination and cooperation.

Criteria

The basis for the award is in any of the individual or multiple categories outlined below:

An overall vision for the future of the Northeast Florida region.

Commitment to the long-term well-being of the region.

Dedication to initiatives that build a cohesive regional community.

The ability to foster collaborative regional stewardship and advance economic, social and environmental progress within the region.
