## QUESTIONS AND RESPONSES

### Community Transportation Coordinator (CTC) Transportation Disadvantaged Program RFP

1. What transportation assets are owned by FDOT, the County, the current vendor, the COA, or any other entity? Please identify ownership by asset.

**Answer:** Because asset ownership depends on location, functional responsibility, and agency records—which are maintained by each entity (FDOT, the County, the current vendor, the COA, etc.)—the Designated Official Planning Agency (DOPA) does not receive a comprehensive, centrally compiled list of transportation assets. The attached vehicle inventory lists may provide who owns the asset.

2. Please provide detailed information for each asset, including vehicle type, year, mileage, and current state of good repair.

**Answer:** Please see attached.

3. What is the expectation on delivering existing level of service and continuation of existing services?

**Answer:** Please refer to the Transportation Disadvantaged Service Plan that is publicly available. <https://www.nefrc.org/transportation-disadvantaged>

4. Please provide any FDOT audits over the past four years.

**Answer:** Audit information should be obtained from the District FDOT.

5. Please provide the annual TD grant agreements for the last four consecutive years.

**Answer:** Grant information can be found on the CTD website.  
<https://www.fdot.gov/ctd/doing-business>

6. Please provide the most recent 2 years of the County's Annual Operating Report (AOR).

**Answer:** Please see attached.

7. Please provide the number of ambulatory and wheelchair trips (separately) by month each for the past 36 months.

**Answer:** Please see attached.

8. Will any facilities be provided for this service's operations?
