RE: Agency Regulatory Plan  
Fiscal Year 2025-2026

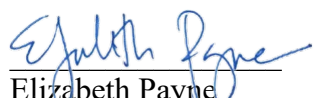

Dear Mr. Plante:

The following is the regulatory plan for Fiscal Year 2025-2026 for the Northeast Florida Regional Council.

1. No laws were enacted or amended during the previous 12 months.
2. No new laws are expected to be implemented by rulemaking before the following July 1, 2026.
3. The Council does not contemplate any updates to the prior year's regulatory plan.
4. The Council President, Chief Executive Officer and Council Attorney to the Council certify that they have reviewed this plan and that the Council regularly reviews all its rules. The existing rules were most recently reviewed in association with preparation of this report. The Council's existing rules, as subject to the current regulatory plan dated September 2, 2024, were determined to remain consistent with the Council's rulemaking authority and the laws implemented. However, the Council intends to amend Rule 29D-7 by adopting an updated Northeast Florida Strategic Regional Policy Plan prior to July 1, 2026.
5. In response to the new SB 108 requirements, the Council will conduct rule review of all its rules: 29D-6, and 29D-7 in year one (2026). No rule review will take place in years two through five as they will have already occurred in year one.

Certification:

  
Jim Renninger  
Council President

  
Elizabeth Payne  
Chief Executive Officer

  
Jeremiah Blocker, Esq.  
Council Attorney
