Fiscal Year 2023-2024

Dear Mr. Plante:

Pursuant to Section 120.74, Florida Statutes, this letter serves as the regulatory plan for the Northeast Florida Regional Council (“Council”). The required elements of the regulatory plan are as follows:

1. No laws were law enacted or amended during the previous 12 months which creates or modifies the duties or authority of the Council or which required or authorized rulemaking. No laws were enacted or amended that eliminated or modified current rulemaking authority.
2. There are no laws not otherwise referenced pursuant to paragraph (1) which the Council expects to implement by rulemaking before the following July 1, except emergency rulemaking.
3. The Council does not contemplate any updates to the prior year’s regulatory plan.
4. The Council President, Chief Executive Officer and Special Counsel to the Council certify that they have reviewed this plan and that the Council regularly reviews all of its rules. The existing rules were most recently reviewed in association with preparation of this report. The Council’s existing rules, as subject to the current regulatory plan dated September 2, 2021, were determined to remain consistent with the Council’s rulemaking authority and the laws implemented.

Certification:

Brenda Ezell, Esq.  
Council Attorney
