1

Community Transportation Coordinator Staff Present

Matt McCord, Patricia Solano, Nelson Wiley, Rachel Garvey (All In-Person)

Planning Agency Staff Present

Summer Jones, Tyler Nolen (All In-Person)

#### Guests

April Bacchus (Virtual)

After a roll call took place, a quorum was confirmed.

#### 2. Additions, Deletions, and Changes to the Agenda

No changes to the agenda at this time.

#### 3. Approval of November 14, 2023, Meeting Minutes\*

Mr. Albert motioned for approval of the November 14, 2023, meeting minutes. Ms. Fenech seconded the motion. The November 14, 2023, meeting minutes were approved unanimously.

#### 4. Election of Vice-Chair\*

Ms. Jones stated the purpose and action needed for agenda item four (4), Election of Vice-Chair. Ms. Jones clarified the duties of the Vice-Chair as the designee to act as LCB Chair as needed, lead meetings, and review items presented for LCB action. Mr. Albert volunteered to serve in the role for another year. Ms. Fenech motioned to re-elect Mr. Marc Albert as Vice-Chair, seconded by Mr. Stephenson. Mr. Albert's reappointment passed unanimously.

#### 5. Grievance Committee Appointments\*

Ms. Jones stated the purpose and action needed for agenda item five (5), Grievance Committee appointments. She explained that in the event a rider, purchasing agency, or transportation operator complaint is not resolved by the CTC, a committee of LCB members shall meet to review the complaint and provide recommendations to the full LCB or Commission for the Transportation Disadvantaged (CTD) for resolution. Mr. Joseph McDermott and Mr. Joe Stephenson were nominated to be reappointed. There was a motion to retain Mr. McDermott and Mr. Stephenson by Ms. Fenech and seconded by Mr. Albert. The appointments were unanimously approved.

#### 6. Evaluation Committee Appointments\*

Ms. Jones reviewed the purpose and action needed for item six (6), Evaluation Committee Appointments. Members of the LCB once a year, are obligated to conduct an on-site observation, ridealong, and survey of riders concerning St. Johns County CTC, St. Johns County Council on Aging, TD service. She recommended that new LCB members or members that have never conducted the evaluation participate, further adding that the process aids in understanding a rider's experience. Ms. Fenech and Mr. Stephenson volunteered to continue serving on the committee. The Evaluation Committee nominations passed with unanimous approval with a motion from Ms. Stephenson and second by Mr. Albert.

#### 7. LCB Membership

LCB Membership was considered next. It was noted by Ms. Jones that Board membership this quarter is an action item, and the NEFRC Board of Directors are to consider this membership for final approval at its March 7, 2024, meeting. Ms. Dickinson stated that Mr. Neil Ambrus will need to be added as her

2

alternate. The membership roster was approved with the addition of Mr. Neil Ambrus and was unanimously approved by a motion from Ms. Fenech and a second from Mr. Albert.

- a) Current Membership Vacancies (6) Ms. Jones briefly discussed the board vacancies. She asked if anyone had any recommendations on who she should contact for interest. St. Johns County School Board was suggested. Ms. Jones also mentioned there was an LCB Volunteer Form in the meeting packet.
  - Elderly
  - Disabled
  - Citizen Advocate User
  - Children at Risk
  - Private for-Profit Transportation
  - Medical Community

#### 8. Northeast Florida Regional Council Update

Ms. Jones stated that there needs to be a discussion of date/time for a ride-along for the Annual CTC Evaluation. Ms. Jones, Mr. McCord, and the Evaluation Committee agreed that Mr. McCord will email later with available dates.

Ms. Jones gave a legislative update on the Commission of the Transportation Disadvantaged. For Fiscal Year 2024-25, the Commission is requesting \$5 million in additional recurring budget authority for the CTD Grants and Aids Category. The current base authority is \$56.3 million and if approved this would increase the base authority to \$61.3 million and support the following programs: \$4 million to the Innovative Service Development (ISD) Grant, approximately \$1.9 million for the Planning Grant, approximately \$1.9 million for the Shirley Conroy Grant, and approximately \$53.4 million for the Trip and Equipment Grant.

The House and Senate are both proposing \$3 million in additional budget authority under the Transportation Disadvantaged Trust fund, totaling \$59,356,668 for the CTD grant programs. The budget would require the CTD to allocate \$4 million to the ISD Grant, which would result in a \$1 million reduction to the Trip & Equipment Grant compared to the current fiscal year. The state is working with the House and Senate to try to resolve this issue.

#### 9. Community Transportation Coordinator

Mr. McCord gave the quarterly update:

• From the period of October 1, 2023, to December 31, 2023, there was a total of 10,150 trips by mobility for paratransit. For this same period, there was a total of 23,168 trips for the Sunshine Bus.

Mr. McCord gave updates on the Council on Aging:

• The Sunshine Bus maps have been submitted to Google. They are switching to a new platform later this month and maps should be fully updated by March 1, 2024.

3

- They are in discussions to modify the Purple Line to add a 193-unit workforce housing project on the west side of US-1. Currently, they are looking at Valley Ridge Blvd/Old Dixie Hwy as a potential pick up/drop off location (Gate Gas Station).
- Two (2) new Sunshine Bus stop signs were added on SR-6 in front of Mission Trace.
- Two (2) new Sunshine Bus stop signs were added on Murabella Pkwy.
- They are working with St. Augustine Youth Service to coach at-risk youth on how to use the transportation services.
- They provided a shuttle service to the Active After 50 Expo.
- They are working on adding stops to the Port in the Storm off Arapaho Ave and the TAG Museum. TAG Museum is scheduled to open later this year.
- They are preparing for the FDOT Triennial Review that will take place the week of March 18, 2024.
- There was one (1) reportable accident this quarter. There were no incidents.

#### 10. Regional Transit Working Group Report

Jacksonville Transit Authority gave a presentation introducing Vision Zero, Creating Safe Spaces Action Plan, which is a holistic approach to road safety. It emphasizes preventative measures in collaboration with the City of Jacksonville's project and will reach all the adjacent counties.

JTA is focusing this plan on the transit experience and the last mile. To develop this plan, a lot of data is needed from across the region. A team of consultants will look at crash data and reports, particularly in locations near bus stops and transit centers. A Creating Safe Spaces steering committee will be established in collaboration with the City of Jacksonville.

This project is just being launched and is anticipated to be completed by fall 2024.

#### 11. Old Business

a) St. Johns Public Schools / St. Johns County Council on Aging Coordination Ms. Jones asked if there was an update on this coordination. Mr. McCord stated there has not been any communication with St. Johns Public Schools. They are now working with St. Augustine Youth Services.

#### 12. New Business

Chair Joseph asked Mr. McCord about advertising services to the Police Athletic League (PAL). Mr. McCord stated he would check into coordination with PAL.

#### 13. Public Comment

No public comment at this time.

#### 14. Member and Department Reports

Joseph McDermott – Veterans Services- Mr. McDermott stated the last few months have been difficult as they have lost some service officers. They are currently hiring two (2) service officers and have hired an Office Specialist.

## 15. Adjournment

Chair Joseph adjourned the meeting at 2:19 p.m. The next LCB meeting will occur May 14, 2024, at 1:30 p.m. in the St. Johns Council on Aging Boardroom.

# ST. JOHNS COUNTY TRANSPORTATION DISADVANTAGED LOCAL COORDINATING BOARD BYLAWS

#### **ARTICLE I: PREAMBLE**

#### Section 1: Preamble

The following sets forth the Bylaws which shall serve to guide the proper functioning of the coordination of transportation services provided to the transportation disadvantaged in St. Johns County through the Transportation Disadvantaged Local Coordinating Board. The intent is to provide procedures and policies for fulfilling the requirements of Chapter 427, Florida Statutes (F.S.), Rule 41-2, Florida Administrative Code (FAC), and subsequent laws setting forth requirements for the coordination of transportation services to the transportation disadvantaged.

#### **ARTICLE II: DEFINITIONS, NAME, AND PURPOSE**

#### **Section 1: Definitions**

<u>Commission for the Transportation Disadvantaged</u>: an independent agency created in 1989 to accomplish the coordination of transportation services provided to the transportation disadvantaged population.

<u>Community Transportation Coordinator (also known as the "CTC" or "Coordinator")</u>: a transportation entity recommended by the appropriate planning agency as provided for in Section 427.015(1), Florida Statutes, and approved by the Commission, to ensure that coordinated transportation services are provided to serve the transportation disadvantaged population in a designated service area.

<u>Designated Official Planning Agency (also known as the "DOPA")</u>: the official body or agency designated by the Commission to fulfill the functions of transportation disadvantaged planning in areas not covered by a Metropolitan Planning Organization. The Metropolitan Planning Organization shall serve as the planning agency in areas covered by such organizations.

<u>Non-sponsored Trip</u>: means a trip which is not subsidized in part or in whole by any local, state, or federal government funding source, other than the Transportation Disadvantaged Trust Fund.

<u>Sponsored Trip</u>: a passenger trip that is subsidized in part or in whole by a local, state, or federal government funding source (not including monies provided by the TD Trust Fund).

<u>Transportation Disadvantaged</u>: those persons who because of physical or mental disability, income status, or age are unable to transport themselves or to purchase

transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life-sustaining activities, or children who are disabled or high-risk or at-risk as defined in Section 411.202, Florida Statutes.

<u>Transportation Disadvantaged Service Plan (also known as the "TDSP")</u>: a five-year implementation plan, with annual updates developed by the CTC and the planning agency which contains the goals the CTC plans to achieve and the means by which they plan to achieve them. The plan shall be approved and used by the Coordinating Board to evaluate the coordinator.

<u>Transportation Disadvantaged Trust Fund (also known as the "TDTF")</u>: a fund administered by the Commission for the Transportation Disadvantaged in which all fees collected for the transportation disadvantaged program shall be deposited. The funds deposited will be appropriated by the legislature to the Commission to carry out the Commission's responsibilities. Funds that are deposited may be used to subsidize a portion of a transportation disadvantaged person's transportation costs which are not sponsored by an agency.

<u>Transportation Operator</u>: one or more public, private for profit, or private non-profit entities engaged by the community transportation coordinator to provide service to transportation disadvantaged persons pursuant to a coordinated transportation service plan.

#### Section 2: Name

The name of the Local Coordinating Board shall be the <u>St. Johns County Transportation</u> Disadvantaged Local Coordinating Board, hereinafter referred to as the "Board".

#### **Section 3: Purpose**

The purpose of the Board is to identify local service needs and to provide information, advice and direction to the St. Johns County Community Transportation Coordinator, hereinafter referred to as the "CTC", on the coordination of services to be provided to the transportation disadvantaged through the Florida Coordinated Transportation System. The Board is recognized as an advisory body to the Commission for the Transportation Disadvantaged in its respective service area.

# <u>ARTICLE III: MEMBERSHIP, APPOINTMENT, TERM OF OFFICE, AND TERMINATION OF MEMBERSHIP</u>

#### **Section 1: Voting Members**

In accordance with Chapter 427.012 F.S., all members of the Board shall be appointed by the Designated Official Planning Agency, hereinafter referred to as the "DOPA," after consideration by the Board. The DOPA for the St. Johns County Transportation

Disadvantaged program, as designated by the Commission for the Transportation Disadvantaged, shall be the Northeast Florida Regional Council. The St. Johns County Board of County Commissioners shall appoint one of its members to serve as the official chairperson for all Coordinating Board meetings. The following agencies or groups are eligible to be represented on the Board as voting members, pursuant to 41-2.012(3)(a-n):

- 1. A local representative of the Florida Department of Transportation;
- 2. A local representative of the Florida Department of Children and Family Services;
- 3. A representative of the Public Education Community;
- 4. A representative of the Florida Division of Vocational Rehabilitation or the Division of Blind Services who shall represent the Department of Education;
- 5. A person who is recommended by the local Veterans Service Office representing the veterans of the county;
- 6. A person who is recognized by the Florida Association for Community Action (President), representing the economically disadvantaged in the county;
- 7. A person over sixty representing the elderly in the county;
- 8. A person with a disability representing the disabled in the county;
- 9. Two citizen advocate representatives in the county; one who must be a person who uses the transportation services(s) of the system as their primary means of transportation
- 10. A local representative for children at risk;
- 11. In areas where they exist, the Chairperson or designee of the local Mass Transit or Public Transit Systems board, except in cases where they are also the Community Transportation Coordinator;
- 12. A local representative of the Florida Department of Elder Affairs;
- 13. An experienced representative of the local private for profit transportation industry. In areas where such representative is not available, a local private non-profit representative will be appointed, except where said representative is also the Community Transportation Coordinator;
- 14. A local representative of the Florida Agency for Health Care Administration;
- 15. A representative of the Regional Workforce Development Board established in Ch. 445, F.S.;
- 16. A representative of the local medical community, which may include, but not be limited to, kidney dialysis centers, long term care facilities, assisted living facilities, hospitals, the local health department or other home and community based services, etc.
- 17. A local representative of the Agency for Persons with Disabilities.

#### **Section 2: Alternate Members**

Each member of the Board may name an alternate who may vote only in the absence of

that member on a one-vote-per-member basis. Alternates for voting members may be changed at the discretion of the voting member. The Board member or agency represented shall confirm alternative representation with the DOPA in advance of a meeting where such representation is to be in place, and will indicate if such representation is to be long term.

#### **Section 3: Terms of Appointment**

Pursuant to Rule 41-2.012(4) FAC, except for the Chair, the non-agency members of the Board shall be appointed for three-year staggered terms with initial membership being appointed equally for one, two, and three years. Furthermore, the Chair shall serve until replaced by the DOPA St. Johns County Board of County Commissioners, as specified in Rule 41-2.012(4) FAC.

#### **Section 4: Termination of Membership**

Any members of the Board may resign at any time by notice in writing to the Chair and the DOPA. Unless otherwise specified in such notice, such resignation shall take effect upon receipt thereof by the Chair. Each member of the Board is expected to demonstrate his/her interest in the Board's activities through attendance of the scheduled meetings, except for reasons of an unavoidable nature. In each instance of an unavoidable absence, the absent member should make every effort to ensure that the designated alternate will attend in his/her place. The DOPA shall review, and consider rescinding, the appointment of any voting member of the Board who fails to attend three consecutive meetings.

#### **ARTICLE IV: OFFICERS AND DUTIES**

#### Section 1: Number

The officers of the Board shall be a Chair and a Vice Chair.

#### Section 2: Chair

The Board of County Commissioners shall appoint an elected official to serve as the official Chair to preside at all Board meetings. The Chair shall be an elected official from the county area of the Board. The Chair shall preside at all meetings and in the event of his/her absence, or at his/her discretion, the Vice-Chair shall assume the powers and duties of the Chair. Pursuant to section 41-2.012(4), the Chair shall serve until replaced by the Board of County Commissioners.

#### Section 3: Vice Chair

During a regular quarterly meeting each State Fiscal Year, the Board shall elect a Vice-

Chairperson. The Vice Chair shall be elected by a majority vote of a quorum of the members of the Board present and voting at the quarterly meeting. The Vice Chair shall serve a term of one year starting with the next meeting. The Vice Chair shall assume the powers and duties of the Chair in his/her absence.

#### **ARTICLE V: BOARD MEETINGS**

#### **Section 1: Regular Meetings**

Pursuant to Chapter 427.0157 F.S., the Board shall meet quarterly.

#### **Section 2: Special Meetings**

The Chair may convene special meetings of the Board as deemed necessary provided that proper notice is given to all members of the Board, other interested parties, and news media within a reasonable amount of time prior to the special Board meeting. For purposes of establishing a quorum for special meetings, Board attendance by conference call is permissible. However, under no circumstance shall the representative from the Community Transportation Coordinator or the DOPA participate in the special meeting via conference call.

#### **Section 3: Notice of Meetings**

Notices and tentative agendas shall be sent to all Board members, other interested parties, and the news media (meeting announcement only) within a reasonable amount of time prior to the Board meeting. Meeting notices shall state the date, time, and the location of the meeting.

#### Section 4: Quorum

At all meetings of the Board, the presence in person of at least two of the voting members, or their alternates, in addition to virtual representation sufficient to make up 40% of the voting members, shall be necessary and sufficient to constitute a quorum for the transaction of business. Positions on the Board, as specified in Article 3, Section 1, which are temporarily vacant, shall not be included in the number of persons required to be present in order to constitute a quorum.

In the absence of a quorum, the Chair or Vice Chair may, without notice other than by announcement at the meeting, recess the meeting from time to time, until a quorum shall be present. Any such recessed meeting shall be then conducted as a "workshop". At any such workshop, items on the agenda which were scheduled for Board action shall be deferred until either a quorum of voting members or their alternates arrives at the meeting, or until the next scheduled meeting of the Board. Board members present at a workshop may discuss agenda items for informational purposes only and may receive comments from

any members of the general public in attendance, however no formal Board action can be taken on any such topics until such time as the Board meets with a full quorum.

#### **Section 5: Voting**

At all meetings of the Board at which a quorum is present, all matters, except as otherwise expressly required by law or these bylaws, shall be decided by the vote of a majority of the members of the Board present, in person or remotely.

#### **Section 6: Parliamentary Procedures**

The Board will conduct business using parliamentary procedures according to *Robert's Rules of Order*, except when in conflict with these bylaws.

#### **ARTICLE VI: STAFF**

#### **Section 1: General**

The DOPA shall provide the Board with sufficient staff support and resources to enable the Board to fulfill its responsibilities as set forth in Chapter 427.0157 F.S. These responsibilities include providing sufficient staff to manage and oversee the operations of the Board and assist in the scheduling of meetings, preparing meeting agenda packets, and other necessary administrative duties.

#### **ARTICLE VII: BOARD DUTIES**

#### **Section 1: Board Duties**

The Board shall perform the following duties as specified in Rule 41-2(5) FAC.

- Maintain official meeting minutes, including an attendance roster, reflecting official actions and provide a copy of same to the Commission and the Chairperson of the DOPA;
- 2. Review and approve the Memorandum of Agreement and the Service Plan;
- 3. On a continuing basis, evaluate services provided under the approved service plan. Annually, provide the DOPA with an evaluation of the CTC's performance in general and relative to Commission standards and the completion of the current service plan elements. Recommendations relative to performance and the renewal of the CTC's Memorandum of Agreement shall be included in the report.
- 4. In cooperation with the CTC, review and provide comments to the Commission and the DOPA, on all applications for local government, state, or federal funds relating to

transportation of the transportation disadvantaged in the designated service area to ensure that any expenditures within the designated service area are provided in the most cost effective and efficient manner;

- 5. Review coordination efforts and service provision strategies in the designated service area to seek innovative ways to improve cost effectiveness, efficiency, safety, working hours, and types of service available in an effort to increase system ridership to a broader population. Such strategies should also encourage multicounty and regional transportation service agreements between area CTCs and consolidation of adjacent designated service areas if it is deemed appropriate and cost effective to do so. Pursuant to Chapter 427.0157(6) F.S., evaluate multicounty or regional transportation opportunities.
- 6. Appoint a Grievance committee as required by law and rule.
- 7. Coordinate with the CTC, and if necessary, jointly develop applications for grant funds that may become available.
- 8. Review and approve the Transportation Disadvantaged Service Plan (TDSP) for consistency with approved minimum guidelines and the goals and objectives of the Board. The TDSP shall include a complete vehicle inventory for the local system and shall be updated with the assistance of the CTC on an annual basis.

#### **ARTICLE VIII: COMMITTEES**

#### **Section 1: Committees**

Committees may\_be designated by the Chair to investigate and report on specific subject areas of interest to the Board and to deal with administrative and legislative procedures. All committees can be assembled and dissolved as deemed necessary, with the exception of the Grievance Committee which shall be a standing committee. The Chair may serve as a voting member of all committees, but does not count against the quorum if absent. Each committee may elect a Chair from its membership.

#### **Section 2: Grievance Committee**

The Grievance committee will serve as a mediator to process and investigate complaints, from agencies, users, potential users of the system and the CTC in the designated service area, and make recommendations to the CTC and the full Board for improvement of service. The Board shall establish procedures to provide ample opportunity for aggrieved parties to be brought before such committee and to address properly filed and documented grievances in a timely manner. Members appointed to the committee shall be voting members of the Board.

#### ARTICLE IX: COMMUNICATION WITH OTHER AGENCIES AND ENTITIES

#### **Section 1: General**

The Northeast Florida Regional Council authorizes the Board to communicate directly with other agencies and entities as necessary to carry out its duties and responsibilities in accordance with Rule 41-2, FAC.

#### **ARTICLE X: AMENDMENTS**

#### Section 1: General

The bylaws may be amended by a two-thirds (2/3) vote of members present, if a quorum exists, providing the proposed change(s) are discussed at a meeting prior to the meeting where action is taken, or are provided to all members in advance of the meeting where bylaws are amended.

#### **ARTICLE XI: CERTIFICATION**

The undersigned hereby certifies that he/she is the Chair of the Transportation Disadvantaged Coordinating Board and that the foregoing is a full, true and correct copy of the bylaws of this Board as adopted by the Transportation Disadvantaged Coordinating Board on the <u>14th</u> day of <u>May, 2024</u>

#### **SECTION 1: DEVELOPMENT PLAN**

#### INTRODUCTION OF THE SERVICE PLAN

#### Background of the Transportation Disadvantaged Program

The overall mission of Florida's Transportation Disadvantaged program is to ensure the availability of efficient, cost-effective, and quality transportation services for transportation disadvantaged persons. People served by the program include those who because of physical or mental disability, income status, or age are unable to transport themselves or to purchase transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life-sustaining activities, or children who are handicapped or high-risk or at-risk as defined in Section 411.202, Florida Statutes.

Florida's transportation disadvantaged program is governed by Part 1 of Chapter 427, Florida Statutes (F.S.), and Florida Administrative Code (F.A.C.) Rule 41-2, and is implemented at the county or multi-county level by the following major participants:

- Florida Commission for the Transportation Disadvantaged (CTD)
- Local Coordinating Board (LCB)
- Designated Official Planning Agency (DOPA)
- Community Transportation Coordinator (CTC)
- Purchasers of Transportation Services
- Transportation Operators

Part I of Chapter 427 was enacted in 1979 and has subsequently been amended and re-enacted. Amendments made in 1989 resulted in the creation of the Florida Transportation Disadvantaged Commission, establishment of the Transportation Disadvantaged Trust Fund, and enhancement of local participation in the planning and delivery of coordinated transportation services to the transportation disadvantaged through the creation of LCBs and CTCs. Amendments made since 1989 have, among other things, changed the name of the Florida Transportation Disadvantaged Commission to the Commission for the Transportation Disadvantaged (CTD), added members to the CTD, modified the definition of "transportation disadvantaged," and supplemented or modified the responsibilities of the CTD, the LCBs, the DOPAs, and the CTCs.

#### Community Transportation Coordinator Designation Date/History

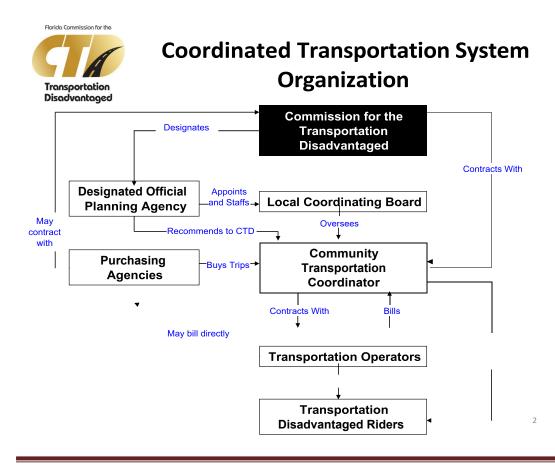

In December of 1981, the St. Johns County Board of County Commissioners passed Resolution 81-130 designating themselves as Interim Coordinator of Community Transportation, as stated in the Florida Statute of 1979, Chapter 427, which addresses the needs of those who are transportation disadvantaged. The St. Johns County Board of County Commissioners adopted the Transportation Disadvantaged Plan for St. Johns County in June of 1982. As a result of the needs assessment and Five-year Plan, the Board recommended the designation of the St. Johns County Council on Aging, Inc., to serve as Coordinated Community Transportation Provider (CCTP). In October of 1983, the St. Johns

County Council on Aging, Inc. (SJCCOA), accepted the designation to serve as the Coordinated Community Transportation Provider. The St. Johns County Council on Aging then began to coordinate County resources and execute Purchase of Service Agreements with other agencies in St. Johns County who sponsor transportation for their respective client bases.

In 1992, a request for proposal was used in an effort to obtain coordinated service contracts with private-for-profit operators in the local community and its environs. However, after three (3) RFPs, the COA was unsuccessful in obtaining a contractor for after-hours and weekend transportation services for the non-emergency medical transports. Therefore, wheelchair lift- equipped service was assumed by the COA in 1994. St. Johns County EMS no longer had sufficient vehicles available to support both emergency and non-emergency transports. St. Johns County EMS trained COA drivers and have continued to support the COA with technical assistance.

SJCCOA continues to build a transportation system which is supportive of the needs of St. Johns County citizens with the financial support of the St. Johns County Board of Commissioners. In 2015, a request for qualifications was issued by the Northeast Florida Reginal Council (NEFRC) as the Designated Official Planning Agency. SJCCOA responded and was ultimately designated as the Community Transportation Coordinator (CTC) for another five (5)years, beginning in 2021. A request for qualifications was issues in 2020.

#### Organizational Chart

#### Consistency Review of Other Plans

#### **Local Government Comprehensive Plan**

The Transportation Disadvantaged program in St. Johns County is addressed in the required Traffic Circulation Element of the St. Johns County Comprehensive Plan by Objectives B.1.8, B.1.9, and B.1.10 and related policies.

#### Strategic Regional Policy Plan

The Transportation Disadvantaged Service Plan (TDSP) is consistent with, "Strategic Directions: The Northeast Florida Strategic Regional Policy Plan," which was adopted by the NEFRC by Rule 29D-7 on January 16, 2014. The regional transportation element supports mobility, the transportation disadvantaged, and transit in policies two (2), three (3), and sixteen (16).

#### **Transit Development Plan**

The TDSP is consistent with the St. Johns County Transit Development Plan, 2016 Major Update.

**Commission for the Transportation Disadvantaged 2005 Five (5)-year / 20-year Plan** The TDSP is consistent with the themes of the Commission's 2005 plan; although, much of the plan is outdated.

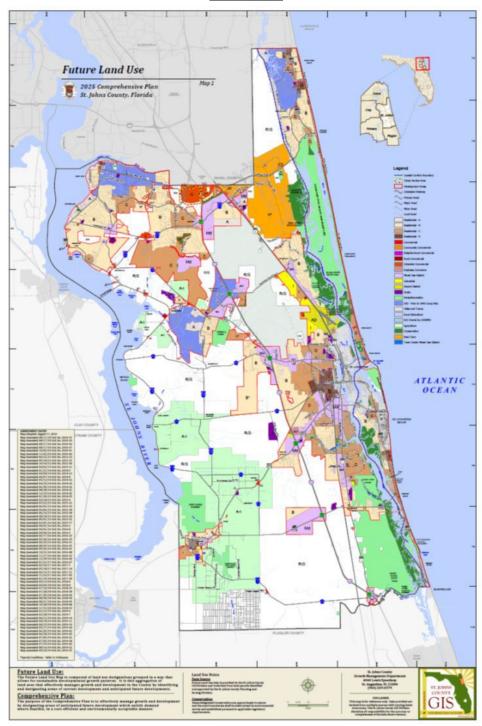

#### **Regional Transit Action Plan**

SJCCOA was represented in the creation of the Regional Transportation Commission's Regional Transit Action Plan 2016 and the direction of that plan aligns with this TDSP. SJCCOA is represented on the Regional Transit Working Group, which is working on implementation of a regional transit system.

#### **Public Participation**

Representatives of public, private and non-profit transportation, human services providers, and members of the public participate in the development of the TDSP. Many of the Local Coordinating Board (LCB) members are staff to these agencies, and review the Service Plan annually. All LCB members are invited to participate with the development of the plan. The CTC staff have a close relationship with many local churches, health care facilities, independent living centers, job training, and job placement agencies, and receive input on a continuing basis. Staff for the Northeast Florida Regional Council coordinates the efforts to ensure that the policies in the plan are followed fully. A public hearing is held annually in conjunction with a quarterly board meeting for public input.

#### Statistics Related to County Population Age 60+

#### 2018 Profile of Older Floridians

#### St. Johns County

This profile of older Floridians is a source of current information related to seniors in the county. Topics include the current and future population of older adults, the prevalence of older adults who experience financial and housing issues, the array of health and medical resources, and information related to disasters. As Florida's older adult population grows, awareness of these issues is needed to ensure that elders continue to be vital participants in their communities.

The Elder Needs Index (ENI) is a measure that includes: (1) the percentage of the 60 and older population that is age 85 and older; (2) the percentage of the 55 and older population that are members of racial or ethnic minority groups; (3) the percentage of the 65 and older population with one or more disability; and (4) the percentage of the 55 and older population living below 125 percent of the Federal Poverty Level. ENI is an averaged score indicating older adults who may need social services within a geographic area. It is not a percentage of the area's population. The green areas of the map represent bodies of land such as national parks, state forests, wildlife management areas, and local and private preserves. The blue areas of the map represent bodies of water such as lakes, streams, rivers, and coastlines. Interactive maps, viewing software, and a detailed user's guide are available at http://elderaffairs.state.fi.us/doea/eni\_home.php

The index cutpoints in the ENI is scaled at the PSA-level

#### St. Johns County Demographic Profile

The population pyramid below compares the projected older adult population by gender between 2018 and 2030, demonstrating the changes expected in the next decade. As a whole, Florida is expected to experience population growth, with some areas expecting notable growth in the proportion of those age 65 and older.

#### Senior Dependency Ratio

The dependency ratio contrasts the number of working-age (15-64) individuals compared to the number of individuals age 65 and older who are likely retired from the workforce. This ratio reflects the ongoing contributions of taxes and wages to support the health care and retirement systems used by retirees, as well as the availability of younger individuals to serve as caregivers to older loved ones.

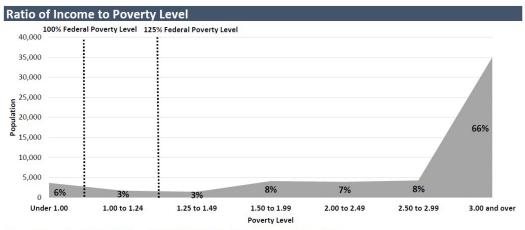

#### St. Johns County Financial Profile

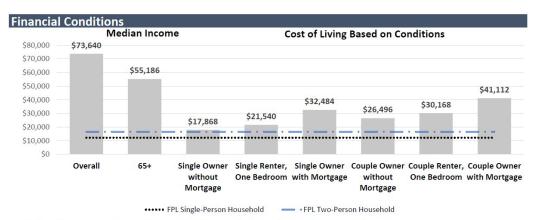

This section examines financial conditions, poverty rates, and the cost of living for older Floridians. The ratio of income to poverty level graphic below shows the distribution of older adults relative to the poverty level to show the proportion of the senior population who fall below the Federal Poverty Level (FPL). The portrayal of the financial conditions of older adults is detailed in the final graphic, which includes information about income relative to rates of homeownership and partnership status in the consideration of cost of living.

Federal Poverty Level	Value
Single-Person Household	\$12,140
Two-Person Household	\$16,460
125% Single-Person Household	\$15,175
125% Two-Person Household	\$20,575

At Poverty Level	3,630	6%
Below 125% of Poverty Level	5,300	8%
Minority At Poverty Level	505	1%
Minority Below 125% of Poverty Level	740	1%
Source: AGID 2012-16 ACS		

Value is expressed as the percentage of the 60+ population, with the dotted lines representing the Federal Poverty Level. Source: AGID 2012-16 ACS

Cost of living is an index of how much income retired older adults require to meet their basic needs to live in their community without assistance. Source: U.S. Census Bureau, 2013-2017 ACS and WOW Elder Economic Security Standard Index, 2016

#### St. Johns County Livability Profile

The livability section presents new elements, such as available affordable housing for older adults. Many essential community elements are also included below, such as sidewalk safety, the safety of roadways, and availability of green spaces. The rates of older Floridians who have access to a vehicle or public transportation, as well as the availability of internet access and various food resources, are also provided. These provide estimates of older adults' ability to access community resources.

Pedestrian Safety	Percent
Sidewalks with Barriers	28%
Physical barriers are those that separate motorized vehicle lanes from sidewalks or shared path (e.g. areas for parking lots, guardrail, trees, etc	c.).

#### St. Johns County Health Profile and Medical Resources

The health and medical section presents the variety and availability of different types of facilities, medical professionals, and treatment services in the community. This includes complex estimates based on probable usage by older adults. For example, the "Medically Underserved" are areas designated by the U.S. Department of Health and Human Services as having too few primary care providers, high infant mortality, high poverty, or a high elderly population. Medical access and health support services information is an important area for community planners to ensure that support is in place to accommodate an older population.

#### St. Johns County Disaster Preparedness

The disaster preparedness section presents the count and percentage of people age 60 or older living in Census tracts that fall within particular FEMA-designated evacuation zones, as well as the portions of DOEA Home and Community-Based Services (HCBS) clients who reside in these zones. The estimate of electricity-dependent individuals is presented by insurance type to show the number of people who use electricity-dependent medical equipment necessary for things such as survival or mobility. This information can also be used to evaluate the sufficiency of shelters, generators, and evacuation route roadways to handle the needs of seniors and medically fragile adults in emergencies.

Note: The poverty line is based on the U.S. Census's Poverty Threshold which is the minimum annual income determined by the age, household type, and the number of children in a household for each family unit. The number of family units below that minimum annual income for each group are considered living below the poverty line. The minimum breakdown for each group is found at <a href="https://www.census.gov/data/tables/time-series/demo/income-poverty/historical-poverty-thresholds.html">https://www.census.gov/data/tables/time-series/demo/income-poverty/historical-poverty-thresholds.html</a>

#### Overview of Land Use, Population/Composition and Employment

The future land use map and demographics, when considered together indicate that St. Johns County is an urbanizing County with a mixture of rural areas and population/service centers. Prior to the pandemic, jobs were increasing and unemployment was falling. The population has been and is projected to grow more quickly than some counties in Northeast Florida and most of the State, but like all of them, is aging. The ALICE (Asset Limited, Income Constrained, Employed) report done in 2018 by the United Way of Florida, analyzed households that earn more than the U.S poverty level but less than the basic cost of living for the County. In the case of St. Johns County, the median household income at \$80,712 is significantly higher than the statewide average of \$55,462. The ALICE report identifies the household survival budget for a single adult as \$26,148 and for a family with two working parents, an infant and a Pre-K child as \$80,652. The transportation portion of the family survival budget is the fourth largest expense after housing, childcare, and food for a family with two adults and two children who are in childcare. The number of households below the poverty level (7%) combined with the number of ALICE households, who earn less than the household survival budget (27%), make up 34% of St. Johns County's total households.

These households are among those in need of transit, so they can save money and build wealth. Additional data related to transit and the demographics of St. Johns County are available in the St. Johns County Transit Development Plan, 2016 Major Update available on the North Florida Transportation Planning Organization website <a href="http://northfloridatpo.com/planning-studies/">http://northfloridatpo.com/planning-studies/</a>.

# Major Trip Generators/Attractors

Trip generators are land use from which trips originate, such as residential areas and group homes, while trip attractors are land uses which serve as the destinations of trips. Types of attractors include shopping areas, employment centers, medical offices, educational facilities, governmental offices and recreational areas.

While the majority of trips made by clients occur within the confines of St Johns County, often times more specialized attractors are located in neighboring counties such as Duval, Putnam and Flagler Counties or even more distant communities such as Gainesville. Since these trips tend to be more costly to provide, careful planning and scheduling is required on the part of the CTC in order to deliver these services efficiently.

## <u>Inventory of Available Transportation Services</u>

Other than transportation network companies that provide rides to or from St. Johns County and the St. Johns County Council on Aging (SJCCOA) as the Community Transportation Coordinator for St. Johns County and the operator of Sunshine Bus, the following companies provide transportation:

- A1 All American Cab
- Abraxi Taxi
- Ace Taxi
- Affordable Taxi
- Ancient Cab
- Castillo Cab
- Eco-ride Taxi
- Green Taxi
- Sax Taxi
- Yellow Cab
- A-Team Taxi Service

# **SECTION 2: SERVICE ANALYSIS**

#### Forecasts of Transportation Disadvantaged Population

Based on the Center for Urban Transportation Research (CUTR) 2013 Methodology Guidelines for Forecasting TD Transportation Demand, the general TD population estimate for 2018 is 79,344 or 30.4% of the total population. The forecast for 2020 considers that of the TD population, 7,544 persons are of critical need. This is comprised of 7,039 persons who are considered to have severe disabilities and 505 persons of low income without access to an automobile or transit. The critical need population could be expected to make 87,000 daily trips and 286,206 annual trips in 2020. The forecast model is included as Appendix 6.

#### **Needs Assessment**

This section provides an overview of the programs that are qualified for funding under the Public Transportation, Elderly Individuals and Individuals with Disabilities, and New Freedom programs in support of the Federal Safe Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The CTC makes use of 5307, FDOT Block Grant, the Surface Transportation Program, programs available through the Commission for the Transportation Disadvantaged, County grants, and is always looking for new and non-traditional ways to obtain funding to fill the needs of the community. The CTC provides paratransit service inside the County and to outside destinations, supplemented by local ambulance service to meet the demand for stretcher trips. In addition, they provide inter-county paratransit service.

**Section 5310 - Transit for the Elderly and Persons with Disabilities** – This program provides formula funding to states for the purpose of assisting private non-profit groups in meeting the transportation needs of the elderly and persons with disabilities when the transportation service provided is unavailable, insufficient, or inappropriate to meeting these needs.

**Section 5311 – Rural and Small Urban Areas** – This program provides formula funding to states for the purpose of supporting public transportation in areas of less than 50,000 people. Funds may be used for capital, operating, and administrative assistance to state agencies, local public bodies, and nonprofit organizations and operators of public transportation services.

5-Year Transportation Disadvantaged Transportation Improvement Program and other Funding Requests and Results

22/23	Operating Assistance for Fixed Route			\$234,402-Total (All Federal)
23/24	\$172,175 Operating request to continue the existing level of service on the Teal Line in St. Johns County.			

### Barriers to Coordination

The following are identified barriers to the Coordination process:

- Lack of adequate funding for coordinating transportation services. This leads to less service efficiency and higher costs.
- Continued funding cuts or flat funding for transportation services.
- Agencies that are not paying the fully allocated operating cost for transportation services. This causes other agencies to pay a higher cost for transportation services in effect subsidizing the agencies that do not pay the fully allocated operating cost.
- Agencies that do not budget for transportation services. These agencies then place a heavy reliance on the TD Trust Funds for their transportation needs. Agencies that do not adequately fund client transportation cause other agencies and funding sources to pay the additional cost of agency transportation services.
- Lack of specialized medical care available within St. Johns County itself which results in numerous trips being made outside of the service area for specialized care.
- Medicaid trips are exempt from Coordination due to Medicaid Reform resulting in loss of

# GOALS, OBJECTIVES, STRATEGIES AND IMPLEMENTATION SCHEDULE

<u>Goal 1</u>: <u>Coordination of transportation disadvantaged services.</u>

OBJECTIVE 1.1: Contract with agencies purchasing transportation services using public funds.

Strategy 1.1.1: Utilize executed Purchase of Service Agreements (POS) as necessary with all

agencies purchasing transportation services with public funds prior to service being initiated. Such POS Agreements shall specify the service and cost of each type of transportation service to be provided (fixed, direct, indirect, per mile,

etc.).

Implementation Schedule: The CTC will act as soon as it becomes aware of the need for a POS.

Reporting will be as needed or in the final quarter, when the TDSP is

reviewed.

<u>GOAL 2</u>: <u>Focus on consumer choice and efficiency.</u>

OBJECTIVE 2.1: Arrange transportation services to maximize consumer choice and vehicle

efficiency.

Strategy 2.1.1: As funding permits, maintain operations of deviated fixed-route systems.

Strategy 2.1.2: Using Trapeze, analyze current service delivery and demands for service to

develop consumer travel patterns.

Strategy 2.1.3: Survey transportation system users for potential ridership levels and develop

routes accordingly.

Strategy 2.1.4: Increase number of clients/riders served.

Strategy 2.1.5: Maximize the multi-loading of vehicles trips as practical to reduce cost per

trip and maximize efficiency.

Strategy 2.1.4 As the State and County allow, and as the TD Commission develops a

mechanism to authorize and fund rides from transportation network companies or other providers, utilize the range of services that make sense in

St. Johns County or regionally to maximize efficiency and choice.

Implementation Schedule: The CTC will track data and report in the final quarter, when the TDSP

is reviewed.

OBJECTIVE 2.2: Market the system within St. Johns County and regionally.

Strategy 2.2.1: Promote service availability to agencies and consumers through advertising

efforts, social media, partnerships, the distribution of flyers to social service

agencies and consumers, and to the general public at County events.

Strategy 2.2.2: Maintain on-time performance, as this will help the system "sell itself" by

word of mouth.

Implementation Schedule: The CTC will market on an ongoing basis. On-time performance will

be reported with the annual evaluation done by the LCB.

GOAL 3: Accountability: Utilize the Transportation Disadvantaged

trust fund non-sponsored grant monies efficiently.

OBJECTIVE 3.1: Adhere to strict budget of non-sponsored funding to prevent over-spending

or under-spending of non-sponsored trip monies at end of grant year cycle.

Strategy 3.1.1: Delineate budget utilizing non-sponsored monies with monthly allocation.

Provide report to Coordinating Board on status of these funds at each

meeting.

Implementation Schedule: The CTC will track the budget on an ongoing basis and report

quarterly to the LCB.

GOAL 4: Utilize the expertise of the Local Coordinating Board.

OBJECTIVE 4.1: Complete all reports in a timely fashion which require Coordinating Board

approval and/or review, including all reports requested by the Coordinating

Board.

Strategy 4.1.1: Final draft preparation of reports will be completed prior to the Quarterly

meeting and presented to the Board for their review.

Strategy 4.1.2: Provide a written overview of ridership totals, vehicles miles, costs, and

revenue at each quarter, with a comparison to the same quarter of the

previous year.

Strategy 4.1.3: Provide and present the Annual Operating Report to the LCB prior to its

submittal to the Commission for the Transportation Disadvantaged on or

before September 15.

Strategy 4.1.4: Present rate calculation for the LCB approval.

Strategy 4.1.5: Information on grants applied for will be provided to the LCB for their

approval for incorporation into this plan.

Implementation Schedule: The CTC and Planning Agency will provide timely reporting to the LCB

and the Commission on an ongoing basis.

GOAL 5: Customer Satisfaction.

OBJECTIVE 5.1: The Local Coordinating Board shall monitor the quality of service provided by

the Community Transportation Coordinator.

Strategy 5.1.1: The Community Transportation Coordinator shall report complaints to the

Local Coordinating Board.

Strategy 5.1.2: The Community Transportation Coordinator will to respond to grievances as

specified by the bylaws of the Local Coordinating Board.

Implementation Schedule: The CTC will provide timely reporting to the LCB on an ongoing basis.

GOAL 6: Maintain and plan for a safe and adequate fleet.

OBJECTIVE 6.1: Develop and maintain a transit capital acquisition/replacement plan with an

emphasis on safety.

Strategy 6.1.1: Identify vehicles due for replacement during the budget process at the start

of each CTC fiscal year.

Strategy 6.1.2: Utilize all available Federal, State, and local grant funding sources including

but not limited to FTA 5307, Surface Transportation Program, FDOT Section 5310, 5311(f), and 5339, as well as FDOT Service Development program funds for procurement of vehicles for either replacement or expansion

purposes as necessary.

Implementation Schedule: The CTC will provide timely reporting to the LCB on an ongoing basis.

Goal 7: Support regional transit.

OBJECTIVE 7.3: Increase coordination with other counties in Northeast Florida and

surrounding communities.

Strategy 7.3.1: Continue to participate in the Northeast Florida Regional Transit Working

Group (RTWG) in implementing the Regional Transit Action Plan.

Strategy 7.3.2: Coordinate multi-county trips and service enhancement between St. Johns

County and other counties by cooperating and working with nearby counties as well as the Community Transportation Coordinators represented on the

RTWG (Baker, Duval, Nassau, and Putnam Counties) and Flagler County.

Implementation Schedule: The CTC and Planning Agency will attend monthly meetings of the

RTWG as needed. Other efforts are ongoing.

# **SECTION 3: SERVICE PLAN**

#### **OPERATIONS**

The operations element is a profile of the St. Johns County Transportation Disadvantaged system. This element is intended to provide basic information about the daily operations of the St. Johns County Council on Aging (SJCCOA). Paratransit programs are designed to provide door-to-door or door-through-door transportation for individuals who otherwise have difficulty accessing transportation. By their nature these programs are more expensive to operate. In order to efficiently utilize transportation funding SJCCOA provides a county-wide deviated fixed route bus system designed to provide public transportation to a wide range of known origins/destinations necessary for everyday living. We encourage paratransit riders to utilize the deviated fixed route bus routes whenever possible to meet their mobility needs.

The deviated fixed route buses offers a cost-effective and accessible service. Seniors, individuals with disabilities, and students receive a cash fare discount for all bus routes. The CTC can also purchase all-day or monthly bus passes using CTD funding to enhance qualified riders ability to travel independently.

Each year, SJCCOA's paratransit (demand-response) system provides about 60,000 rides to individuals with disabilities, seniors, and low-income workers. The Deviated Fixed Route (Sunshine Bus Company) system provided 281,269 rides in 2016. To ensure safe, efficient and effective service, the following policies have been established.

Most SJCCOA buses contain accessible features, including: a ramp or wheelchair lift for mobility impaired boarding; on-board wheelchair securement areas; and stop announcements by drivers.

SJCCOA drivers are trained to safely secure wheelchairs. SJCCOA requires that all mobility devices such as wheelchairs and scooters be secured using the proper four (4) point securement devices on board all buses. SJCCOA also strongly encourages but does not require users in mobility devices to use the provided lap and shoulder belts. SJCCOA drivers also assist with the use of ramps/wheelchair lifts and securement devices, as necessary.

Riders must be able to physically board and alight from the bus. If an individual cannot physically board or alight from a bus, the individual will need to acquire the resources needed to overcome their disabling condition, such as, a mobility device and/or personal care attendant. SJCCOA does not provide assistance when safety to drivers or passengers is at risk.

SJCCOA will provide to its passengers, upon request, service materials including maps, applications and policies in an accessible format for disabled individuals. If an accessible format is unavailable, SJCCOA will accommodate the individual's request to the best of its ability.

# Types, Hours and Days of Service

Paratransit transportation services are provided on a subscription and demand-response basis six days per week, Monday-Saturday. Trips are available on those days from 5:00 AM to 6:00 PM. A dispatcher is on-duty from 6:00 AM to 6:00 PM. Our goal is to have both drivers and dispatchers

available from 5:00 AM to 8:00 PM Monday-Saturday depending on funding and staff availability. SJCCOA's demand-response transportation services are considered public transportation and are available to those subsidized by various funding sources as well as private pay.

The Sunshine Bus Company operates Monday - Saturday all year long from 5:30 AM - 8:05 PM. Schedules and route maps can be obtained on-line at WWW. Sunshinebus.net or in various locations throughout the County. Information can be obtained by calling (904) 209-3716.

#### **Eligibility Criteria for TD Funded Trips**

The St. Johns County Transportation Disadvantaged Coordinating Board has established an eligibility process for the provision of non-sponsored service to St. Johns County residents. Recognizing that the non-sponsored funding is limited, the CTC has decided to recertify clients every\_3 years. Clients will need to reapply every 3 years to continue eligibility. If there is a change in a customer's financial or medical condition, they should contact SJCCOA immediately to review impact to rider eligibility. Proof of income and medical verification is required to qualify for non-sponsored funding.

Upon expiration or failure to re-certify for eligibility, a customer will be unable to utilize non-sponsored transportation disadvantaged service until they are able to satisfy eligibility requirements. Applications for non-sponsored eligibility determination is a multi-step qualification process that substantiates the individual's ability to meet the criteria outlined in Chapter 427, F.S.

The applicants **must** meet the following criteria:

- Are not eligible for transportation services sponsored or provided by another program or agency as part of an agency's eligible services.
- Must be a resident of St. Johns County
- Do not have access to their own or a household member's automobile, and are therefore transportation dependent on others

AND

• Cannot access any fixed routes public bus service available within St. Johns County due to a physical or cognitive disability that prevents usage of the fixed route system.

OR

• Have a documented household income that does not exceed 200% of the federal poverty guidelines. Household income includes all income that an applicant receives prior to disbursement to any assisted living facility or care provider.

# **Escorts and Attendants Escorts**

An escort is an individual traveling with a TD-eligible individual as a companion or is a specifically designated person to assist with the eligible individual's needs. Escorts may travel with the customer at any time, provided space is reserved when the trip is booked and they have the same origin and

destination as the eligible client. When scheduling a trips, Customers will need to tell the reservationist that they will be traveling with an escort. Drivers cannot add escorts not scheduled on the reservation.

#### **Accessing Services**

#### Paratransit:

For the best service, arrangements for a paratransit ride should be scheduled with customer service by 4:00 PM the day prior to the trip. Same day reservations are possible on a space/time available basis; please try to call no later than 2 hours prior to the desired trip. Rides can only be scheduled a maximum of 7 days in advance. Subscription service is available for regularly recurring trips.

Individuals wishing to utilize the SJCCOA's transportation services can access the system by calling the central reservation number at (904) 209-3710 between the hours of 7:30 a.m. - 4:00 p.m. Clients may also call the dispatch office to book a trip at (904) 209-3711 from 6:00 AM - 7:30 AM and from 4:00 PM - 6:00 PM. when the reservation office is not staffed. This policy is necessary in order to group trips for individuals who are sponsored and non-sponsored to obtain the most cost-effective method of service delivery. Note, in the near future the CTC will be able to book trips until 8:00 p.m. through the dispatch office number.

#### Sunshine Bus:

Riders may board or exit the bus at any safe street corner or location along the bus route that does not have bus stop signs. Routes on US 1, King St. and San Bartola Blvd. have designated bus stops marked by signs. Other designated bus stop locations (primarily in the urban areas) will be added in the future and public notice will be given.

Individuals with hearing impairments can access the SJCCOA's transportation services by utilizing the State of Florida Relay System. The Relay System can be accessed 24 hours a day by calling either (800) 955-8770 or (800) 955-8771.

#### **Trip Cancellation / No Show Policy**

When a rider needs to cancel a trip, the cancellation should occur more than one hour prior to the scheduled pick-up time. A late cancellation (less than 1 hour) is considered a no-show.

A no-show is defined as the act of a person, who, having scheduled a paratransit trip, or Sunshine Bus route deviation changes his/her mind about making the trip but does not cancel the appointment, allowing the vehicle to arrive but not boarding it. The definition also includes cancellations less than one hour before the scheduled pick-up time but does not include incidents like scheduling problems, late pickups and other operational problems of the provider. The provider will wait up to 5 minutes for each rider after arriving at the pick-up location.

SJCCOA does not count as no-shows [or late cancellations] any trips due to our error, such as:

- Trips placed on the schedule in error
- Pickups scheduled at the wrong pickup location

- Drivers arriving and departing before the pickup window begins
- Drivers arriving late (after the end of the pickup window)
- Drivers arriving within the pickup window, but departing without waiting the required five minutes
- Long hold times that prevent callers from canceling trips by telephone in a timely manner

SJCCOA does not count as no-shows [or late cancellations] situations beyond a rider's control, such as:

- Medical emergency
- Family emergency.

SJCCOA will maintain records of no-show incidents. Each no-show will count as one occurrence.

No-Show Consequences (per Local Coordinating Board Policy):

- First violation: a customer receives a warning letter, hang tag and copy of this policy;
- Second violation: 7-day (1-week) suspension;
- Third violation: 14-day (2-week) suspension;
- Fourth violation: 21-day (3-week) suspension;
- Fifth and subsequent violations: 28-day (4-week) suspension;

Consequences are based on the current calendar year, and suspension periods will begin on a Monday. SJCCOA will retain records on customer compliance with this policy for the current calendar year. Repeated instances within the 12 month period following the 28-day suspension may result in additional suspension(s) or termination of paratransit or route deviation service.

All suspension notices will be sent by letter and include a copy of this policy, information on disputing no-shows and how to appeal suspensions.

If individual riders need to cancel their reservation for transportation service, they should contact the SJCCOA as soon as possible, preferably the day prior to the scheduled service. They should call reservations at (904) 209-3710 or dispatch at (904) 209-3711.

#### **After-Hours Service**

SJCCOA does not provide after-hours service.

### <u>Transportation Operators and Coordination Contractors</u>

The SJCCOA provides all transportation services with its own fleet of vehicles.

The CTC will utilize the competitive bid (Request for Proposal) process, to secure additional transportation operators when the demand for transport exceeds the agency's ability to service the need.

#### **Public Transit Utilization**

The Public Transportation system in St. Johns County is provided by the St. Johns County Board of County Commissioners through a contract with SJCCOA and by the Commission For the Transportation Disadvantaged through its Community Transportation Coordinator, the SJCCOA.

Funding for the Sunshine Bus Company and the paratransit system is received through a combination of grants obtained by the County and SJCCOA. Ridership on the Sunshine Bus Company has continued to increase throughout the life of the program while paratransit trips have trended downward. This is the desired situation as Paratransit clients are encouraged to utilize the Sunshine Bus system when possible so that they may have more control over their transportation needs. Another benefit to this approach is to lessen the need for paratransit trips which are more expensive to provide.

#### **School Bus Utilization**

SJCCOA does not utilize buses or drivers provided by the school board.

#### Vehicle Inventory

A vehicle inventory for the SJCCOA is included as Appendix 4.

#### System Safety Program Plan Certification

The SJCCOA's System Safety Program Plan Certification is included as Appendix 5

#### **Intercounty Services**

SJCCOA provides deviated fixed route service to Duval and Putnam Counties through the Sunshine Bus Company and paratransit trips originating in St. Johns County with destinations in other neighboring counties on an as needed basis. Putnam County provides deviated fixed route service on the Ride Solution to the Greyhound station in St. Augustine and makes connections to the Sunshine Bus Company in Hastings and the Seabridge Plaza Hub.

# Natural Disaster/Emergency Preparedness

The Disaster Preparedness Plan for the SJCCOA has been addressed in Appendix 10.

# **Education Efforts/Marketing**

The SJCCOA accesses the local social service network for information distribution. The SJCCOA has developed fliers to advertise the availability of the transportation disadvantaged program. These fliers have been (and will continue to be) distributed to service agencies, churches, commodities distribution points, and other public locations. The SJCCOA has also expanded its marketing program to include newspaper, radio and Cable TV press releases and outreach. The Local Coordinating Board is very interested in the marketing of the program and will continue to take an active role in the future.

# Acceptable Alternatives

There have been no acceptable alternatives for the provision of transportation service identified in St. Johns County.

#### Service Standards

Service standards are integral to the development and implementation of a quality transportation program and are intended to bring about uniform service provision in the coordinated system. The Local Coordinating Board (LCB) will evaluate the St. Johns County Council on Aging's (SJCCOA) compliance with the established service standards on an annual basis. The LCB will also accept any other agency's review of the SJCCOA which encompasses any of the following standards as part of the annual evaluation to determine compliance with that standard.

#### **COMMISSION SERVICE STANDARDS**

#### **Drug and Alcohol Testing**

All safety sensitive job positions shall comply with the pre-employment, randomization, post-accident and reasonable suspicion testing requirements of the Federal Transit Administration if Section 5311 funds are utilized to pay drivers employed by the SICCOA.

#### <u>Transport of Escorts and Dependent Children</u>

On paratransit, children under age 16 and individuals requiring special assistance will be required to be accompanied by an escort. Escorts must be provided by the passenger. The escorts must be able to provide the necessary assistance to the passenger. Escorts shall be transported at no cost. On Sunshine Bus, children 12 and over may ride alone and may be accompanied by a sibling aged 10 or over.

#### Use, Responsibility and Cost of Child Restraint Devices

Children under age 4 are encouraged to be in a safety seat, and children ages 4 and 5 are encouraged to be in either a safety seat or a booster seat. It is the parent or guardian's responsibility to supply the proper child restraint when transporting a child in a SJCCOA vehicle.

#### Passenger Property

Passengers shall be allowed to have personal property which can be stowed under their seat and be carried independently onto the vehicle. Passenger property does not include wheelchairs, child seats, stretchers, secured oxygen, personal assistive devices, or intravenous devices.

#### **Vehicle Transfer Points**

Vehicle transfer points shall be located in a safe and secure place that provides shelter.

#### Local Toll Free Telephone Number

A local toll free telephone number shall be posted in all vehicles within the transportation system. This telephone number shall be included in the complaint process.

#### Out-of-Service Area Trips

The SJCCOA will provide out-of-service area trips as needed with approval of the funding source.

#### Vehicle Cleanliness

Interior of all vehicles shall be free of dirt, grime, oil, trash, torn upholstery, damaged or broken seats, protruding metal or other objects or materials which could soil items placed in the vehicle or provide discomfort for the passenger. All vehicles shall be cleaned (interior and exterior) on a regular schedule.

#### **Billing Requirements**

The SJCCOA shall pay all bills within 15 days to subcontractors after receipt of said payment by the SJCCOA.

#### Passenger/Trip Database

The SJCCOA shall collect the name, telephone number, address, funding source eligibility and special requirements in a database on each passenger.

#### **Adequate Seating**

Vehicle seating shall not exceed the manufacturer's recommended capacity. Paratransit riders must be in a seat or wheel chair. Sunshine Bus allows standees.

#### **Driver Identification**

Drivers shall be required to announce and identify themselves by name and company in a manner that is conducive to communications with the specific passenger upon pickup except in situations where the driver regularly transports the rider on a recurring basis. All drivers shall have a picture identification and/or name badge displayed at all times when transporting passengers.

#### **Smoking**

Smoking (tobacco products and e-cigarettes) is prohibited on all SJCCOA vehicles at all times.

#### **Eating & Drinking on Vehicles**

Eating and drinking are prohibited on all SJCCOA vehicles at all times, unless the client or driver has a documented medical condition which requires the client or driver to eat and/or drink. (i.e.: diabetes, etc.)

#### **Two-Way Communications**

All SJCCOA vehicles utilize either two-way radios, cellular phones, and/or MDTs to communicate during trips within the County boundaries. For trips taken outside of St. Johns County, drivers are equipped with cellular phones for communication with the SJCCOA dispatch office.

#### Air Conditioning/Heating of Vehicles

All vehicles in the SJCCOA fleet are furnished with adequate air-conditioning and heating equipment.

#### **LOCAL STANDARDS**

#### Non-sponsored Funds Priority Listing

The following list describes the local priorities of "non-sponsored" funds from the Commission for the Transportation Disadvantaged, as approved by the St. Johns County Local Coordinating Board: Medical Appointments, Shopping, Church, Recreation, Education, Family/Friend Visitation and Employment.

#### CPR/First Aid

Drivers are trained in CPR and Basic First Aid on a *strictly voluntary* basis. Furthermore, drivers are NOT REQUIRED to administer CPR/First Aid in any circumstance.

#### **Driver Criminal Background Screening**

All drivers are subjected to an FDLE background check prior to being hired. Any decisions made in response to an unsatisfactory background check are left to the discretion of the SJCCOA's Executive Director.

#### Pick-up Window

Pick-up windows have been established for all riders utilizing the SICCOA transportation service.

These pick-up windows are necessary for enabling the agency to maintain trip schedules.

#### Paratransit Trips

It is necessary to multi-load trips whenever possible and maintain the daily trip schedule. All clients are informed of the pick-up window policy prior to riding on the system. Riders are asked to be ready to leave by the time stated in the pick-up window.

Pick-up window for trips on the SJCCOA Paratransit system is 30 minutes *before* the trip is scheduled until 15 minutes *after* the trip is scheduled. For example, a client who is scheduled to be picked up at 8:00 a.m. is required to be ready for pick-up by 7:30 a.m.

Once the vehicle arrives during the 45-minute pick-up window, the driver will wait up to 5 minutes for a passenger. If the rider is not prepared to board, the trip will be counted as a no-show and the vehicle will be dispatched to another location. It is the rider's responsibility to have clear visibility of the area where a vehicle would arrive for pick-up. The rider should be prepared to board the vehicle when it arrives.

#### **Sunshine Bus Route Deviations**

In order to allow the Sunshine Bus to maintain its normal schedule as close as possible its necessary to maintain a short pick-up window. All clients are informed of the pick-up window policy when they book a route deviation. Riders are asked to be ready to leave by the time stated in the pick-up window.

Pick-up windows for route deviations are 10 minutes, 5 minutes *before* the trip is scheduled and 5 minutes *after* the trip is scheduled. Once the vehicle arrives during the 10 minute pick-up window, the driver will wait up to 5 minutes for a passenger. If the rider is not prepared to board, the trip will be counted as a no-show and the vehicle will return to its route. It is the rider's responsibility to have clear visibility of the area where a vehicle would arrive for pick-up. The rider should be prepared to board the vehicle when it arrives.

#### **Performance Standards**

Paratransit Trips:

#### Scheduling Trips in Advance

It is preferred that Call-in reservations be made by 4 PM the work-day before the trip is needed to ensure availability. Same-day service is available on a space and time-slot availability basis. Evaluation will be based upon analysis of reservation data obtained from Trapeze software.

#### **On-Time Performance**

SJCCOA uses the Trapeze software to schedule client trips and track on-time performance. This software is set up with a 45 minute window around each requested pick up time. This on-time pickup window allows for 30 minutes prior and 15 minutes after the requested time. Actual performance is tracked in real time using Mobile Data Terminals (MDTs) mounted in each vehicle. If a trip is performed outside of the 45-minute window, it is documented as an early or late trip. Trips to appointments are also tracked to ensure that clients are not getting to their appointments late. Any performance after the appointment time is marked as late. On-time performance goals are: 80% overall (early and late), 90% for appointments and 82% for late only.

On-time performance will be measured by comparing scheduled time to actual time for the pick-up and drop-off. When on-time performance falls below the target, SJCCOA will determine factors that

impact on-time performance and take corrective actions, if needed

#### **Passenger Wait Times**

#### Pick-up Wait Time

Passenger wait time for pick-ups are set during the appointment process with the above mentioned 45-minute window. These are monitored using the on-time performance tools mentioned above. Dispatchers monitor each route to ensure that the drivers are running on schedule and take action (by rescheduling trips to another driver or sending out another vehicle) if a client is at risk of being picked up late. Therefore there is no standard for pick-up wait time. This is considered in the on-time standard.

#### On-Board Wait Time

The Trapeze software is set up to warn dispatchers if any client is at risk of being on board a vehicle longer than our established maximum on board travel time. We propose to schedule our trips to minimize On-Board Wait Time using a graduated scale which takes into consideration the fact that some of our trips are urban in nature while others are rural. These maximum times are based on Direct Travel Time for each client's trip and the fact that we multi-load:

<u>Direct Travel Time</u> <u>On-Board Time</u>

0-28 Minutes 60 min 29-58 Minutes 90 min >58 Minutes 120 min

Our Dispatchers monitor each route to ensure that the drivers are running on schedule and take action (by rescheduling trips to another driver or sending out another vehicle) if a client is at risk of exceeding On-Board Wait Time.

#### **Customer Satisfaction**

NEFRC surveys 30% of the riders on a driver's manifest annually. The results of the survey become part of the annual CTC evaluation, which is added to the TDSP and posted on NEFRC's website. They are evaluated annually by NEFRC and the LCB.

#### **Accidents**

The SJCCOA will compile a quarterly report of all reportable accidents for presentation to the Local Coordinating Board for their review. A reportable accident shall be defined as those accidents reported on the Annual Operations Report. The SJCCOA shall strive to sustain not more than 1.0 reportable accident per 250,000 vehicle miles for the established Annual Operating Report period.

#### Road Calls

The SJCCOA will compile a quarterly report of all road calls for presentation to the Local Coordinating Board for their review. A road call is defined as an interruption of service during the time the vehicle is in-service and which may or may not involve a mechanical failure of some element of the vehicle. The SJCCOA shall strive to sustain not less than 10,000 vehicle miles between road calls for the established Annual Operating Report period.

#### Call-hold Time

The SJCCOA shall strive to answer all incoming calls on the reservation line as quickly as possible. However, in instances when this is not possible and the caller must be placed on hold, the call-hold

time should not exceed a period of five (5) minutes. Once the appropriate equipment is obtained, call-hold time reports shall be generated on a quarterly basis and presented to the Local Coordinating Board for their review. Call-hold time performance will be measured using the percentage derived by dividing the total number of reservations made during the quarter, by the number of complaints received regarding call-holding time.

#### <u>Local Complaint/Grievance Procedures</u>

#### **Definition of a Service Complaint**

Service complaints are routine incidents that occur on a daily basis, are reported to the driver or dispatcher, or to other individuals involved with daily operations, and are resolved within the course of a reasonable time period suitable to the complainant. Local service complaints are driven by the inability of the Community Transportation Coordinator (CTC) or transportation operators, not local service standards established by the Community Transportation Coordinator and local Coordinating Board.

Service Complaints may include but are not limited to:

- Late trips (late pickup and or late drop-off)
- No-show by transportation operator
- No-show by client
- Client behavior
- Driver behavior
- Passenger discomfort
- Service denial (refused service to client without an explanation as to why, i.e. may not qualify, lack of TD funds, etc.)

#### **Definition of a FORMAL GRIEVANCE**

A formal grievance is a written complaint to document any concerns or an unresolved service complaints regarding the operation or administration of TD services by the Transportation Operator, Community Transportation Coordinator, designated official planning agency (DOPA), or local Coordinating Board. The Grievant, in their formal complaint, should demonstrate or establish their concerns as clearly as possible.

Formal Grievances may include but are not limited to:

- Chronic or reoccurring or unresolved Service Complaints (Refer to the description of service complaints)
- Violations of specific laws governing the provision of TD services i.e. Chapter 427 F.S., Rule 41-2 FAC and accompanying documents, Sunshine Law, ADA. -Contract disputes (Agencies/Operators)
- Coordination disputes
- Bidding disputes
- Agency compliance
- Conflicts of interest
- Supplanting of funds
- Billing and /or accounting procedures

#### Service Complaint Process

SJCCOA is the CTC for St. Johns County as well as the Transportation Operator and as such strives to provide safe, affordable, and dependable transportation to all users. If for any reason the service does not live up to these expectations, passengers are encouraged to register a service complaint with SJCCOA's Director of Transportation. A thorough and prompt investigation of all service complaints shall be conducted by SJCCOA's Transportation Department according to the following procedure:

- 1. All service complaints will be documented by the person receiving the service complaint (driver, dispatcher, customer service representative, supervisor, etc.). If the service complaint alleges an ADA or Title VI violation, the county transit planner is notified.
- 2. The service complaint will then be submitted to the on-duty Road Supervisor for review and investigation.
- 3. The Road Supervisor will investigate the nature of the service complaint both with the customer and the alleged offender. If available and relevant, video/audio recordings will be obtained from the SJCCOA vehicle used in the incident.
- 4. The Road Supervisor will discuss investigative findings with the appropriate Transit Manager (Sunshine Bus Company or Paratransit) and determine a course of action. This will typically result in a recommendation of: Unsubstantiated- there is no evidence to support the service complaint or Substantiated- evidence supports the service complaint in whole or part.

In the case of an Unsubstantiated service complaint, no further action is required. In the case of a Substantiated service complaint, the Transit Manager and Road Supervisor will recommend a mitigation measure/s to the Director of Transportation for action. The Director of Transportation will contact the customer in writing with the results of the service complaint investigation. The response and other information is documented and filed.

#### Service Complaint Grievance Process

The decision of the Director of Transportation may be appealed to the SJCCOA Executive Director using the following procedure:

- 1. All grievances filed must be written and contain the following:
  - a. The name and address of the complainant;
  - b. A statement of the grounds for the grievance and supplemented by supporting documentation, made in a clear and concise manner;
  - c. An explanation of the relief desired by the complainant.
  - d. The grievance should be addressed to: Executive Director, St. Johns County Council on Aging, Inc. 180 Marine St., St. Augustine, FL 32084.
- 2. A written copy of the grievance procedures and rider policies are available to anyone, upon request.
- 3. The contact person and telephone number for access to information regarding reporting service complaints or filing a formal grievance is posted in each of the SJCCOA vehicles in plain view of riders.

- 4. SJCCOA Executive Director will respond to Grievant in writing noting the date of receipt and the date by which a decision will be made (not to exceed 15 working days) in a response mailed to the grievant.
- 5. SJCCOA Executive Director representing the CTC will render a decision in writing, giving the complainant an explanation of the facts that lead to the CTC's decision and provide a method or ways to bring about a resolution.
- 6. All documents pertaining to the grievance process will be made available, upon request, in a format accessible to persons with disabilities.
- 7. The SJCCOA Board of Directors, will receive a copy of the grievance and response.

#### **Formal Grievance Process**

Local Coordinating Board's formal grievance Procedures:

- 1. All formal grievances filed must be written and contain the following:
  - a. The name and address of the complainant;
  - b. A statement of the grounds for the grievance and supplemented by supporting documentation, made in a clear and concise manner;
  - c. An explanation of the improvements needed to address the complainant.
  - d. The grievance should be addressed to: Chairperson, Local Coordinating Board, 180 Marine St., St. Augustine, FL 32084.
- 2. A written copy of the grievance procedures are available to anyone, upon request.
- 3. The Chairperson of the Local Coordinating Board will respond to Grievant in writing noting the date of receipt and the date by which a decision will be made (not to exceed 60 working days) in a response mailed to the grievant
- 4. The local Chairperson, Local Coordinating Board will render a response in writing providing explanation or recommendations regarding the grievance.
- 5. The local Coordinating Board grievance subcommittee must review all grievances and report accordingly to the full local Coordinating Board.
- 6. All documents pertaining to the grievance process will be made available, upon request, in a format accessible to persons with disabilities.
- 7. If the local Coordinating Board receives a grievance pertaining to the operation of services under the Community Transportation Coordinator, that grievance should be passed on to the Community Transportation Coordinator for their response to be included in the local Coordinating Board's response.

#### <u>Commission for the Transportation Disadvantaged (CTD) Grievance Procedure:</u>

Any desire to involve the CTD can be accomplished only after the local process is complete. To file a grievance with the Commission, the customer may begin the process by contacting the Commission through the TD Helpline at (800) 983-2435 or via mail at: Florida Commission for the Transportation Disadvantaged; 605 Suwannee Street, MS-49; Tallahassee, FL 32399-0450 or by email at www.dot.state.fl.us/ctd. Upon request, the Commission will provide the customer with an accessible copy of the Commission's Grievance Procedures.

# **SECTION 4: QUALITY ASSURANCE**

## **CTC EVALUATION PROCESS**

#### **CTC Evaluation**

The Northeast Florida Regional Planning Council conducts an annual evaluation of the St. Johns County TD program pursuant to Rule 41-2, *Florida Administrative Code* (FAC) and utilizing guidelines established by the Commission for the Transportation Disadvantaged. This evaluation utilizes, at a minimum, Chapters 5 (Competition), 7 (Cost Effectiveness & Efficiency) and 12 (Availability) of the Commission's *Workbook for CTC Evaluations*. The most recent evaluation is include as Appendix

#### **CTC Monitoring Procedures of Operators**

The St. Johns County TD program is a does not have any sub-contracted operators at this time.

#### **Coordination Contract Evaluation Criteria**

The St. Johns County TD program does not have any coordination contracts at this time. However, any future coordination contracts shall be evaluated on an annual basis and the performance of these coordination contracts shall be included in the annual joint LCB/Planning Agency evaluation of the CTC.

#### **Planning Agency Evaluation Process**

The Florida Commission for the Transportation Disadvantaged conducts biennial reviews of the planning agency's performance based upon established procedures utilizing staff from the CTD's Quality Assurance & Program Evaluation (QAPE) section.

# **Bringing Communities Together**

**DATE:** May 14, 2024

TO: St. Johns County Transportation Disadvantaged (TD) Local

COORDINATING BOARD (LCB)

FROM: SUMMER JONES, TRANSPORTATION DISADVANTAGED COORDINATOR

RE: St. Johns County Council on Aging (SJCCOA) Community

TRANSPORTATION COORDINATOR (CTC) EVALUATION

On April 24, 2024, the St. Johns County Council on Aging (SJCCOA) was evaluated by the Northeast Florida Regional Council and St. Johns County Local Coordinating Board Evaluation Subcommittee member Joe Stephenson. After an on-site observation of the coordinated system, inspection of several service vehicles, and review of documents based on the Commission for the Transportation Disadvantaged approved evaluation criteria, SJCCOA has been reviewed as compliant with Florida Statutes 427 and Florida Administrative Code 41-2.

At this time, the Northeast Florida Regional Council and Evaluation Subcommittee have no findings to present:

#### **Action Recommendation**

The Northeast Florida Regional Council and Evaluation Subcommittee recommends the St. Johns Local Coordinating Board approve the SJCCOA's Annual CTC Evaluation.

- The CTC should not conduct the evaluation or surveys. If the CTC is also the PA, the PA should contract with an outside source to assist the LCB during the review process.
- Attach a copy of the Annual QA Self Certification.

## ENTRANCE INTERVIEW QUESTIONS

#### INTRODUCTION AND BRIEFING:

	Describe the evaluation process (LCB evaluates the CTC and forwards a copy of the evaluation to the CTD).
	The LCB reviews the CTC once every year to evaluate the operations and the performance of the local coordinator.
	The LCB will be reviewing the following areas:
	Chapter 427, Rules 41-2 and 14-90, CTD Standards, and Local Standards
	Following up on the Status Report from last year and calls received from the Ombudsman program.
	☐ Monitoring of contractors.
	Surveying riders/beneficiaries, purchasers of service, and contractors
	The LCB will issue a Review Report with the findings and recommendations to the CTC no later than 30 working days after the review has concluded.
	Once the CTC has received the Review Report, the CTC will submit a Status Report to the LCB within 30 working days.
	Give an update of Commission level activities (last meeting update and next meeting date), if needed.
USING	THE APR, COMPILE THIS INFORMATION:

Date: 4/24/202	4							
Review the owner's	manua	l, check the st	ickers, or	ask t	he driver	the followi	ng:	
The lift must								
4	be equi	pped with an e				(in case of	loss of power to	
		erlocked" with nterlock is eng					r, so the lift will g correctly.	
Have the driver low	er the l	ift to the grou	ınd:					
Controls to op	perate tł	ne lift must req	uire consta	int pr	essure.			
Controls mus "stow" while			cycle to be	e revo	ersed with	out causing	the platform to	
illuminate the	e street s		the lift, the	e ligh	ting should	d activate w	o the driver, and when the door/lift	
Once the lift is on th	ie groui	nd, review the	following	<b>;:</b>				
		earrier to preve platform is full		oility	aid from re	olling off th	ne side closest to	
Side barriers:	must be	at least 1 ½ in	ches high.					
The outer bar	rier mus	st be sufficient	to prevent	a wh	eelchair fr	om riding o	ver it.	
The platform	must be	slip-resistant.						
Gaps between	ı the pla	tform and any	barrier mu	ıst be	no more th	nan 5/8 of a	n inch.	
The lift must								
The handrails			above the	platfo	orm surfac	e.		
The handrails	s must h		grasping a	area (			t be at least 1 ½	
The platform 30 inches wid		e at least 28 1 8 inches long 1						

	If the ramp is not flush with the ground, for each inch off the ground the ramp must be 8 inches long.
	Lifts may be marked to identify the preferred standing position (suggested, not required)
Have t	he driver bring the lift up to the fully raised position (but not stowed):
	When in the fully raised position, the platform surface must be horizontally within 5/8 inch of the floor of the vehicle.
	The platform must not deflect more than 3 degrees in any direction. To test this, stand on the edge of the platform and carefully jump up and down to see how far the lift sways.
ď	The lift must be designed to allow boarding in either direction.
While i	inside the vehicle:
	Each securement system must have a clear floor area of 30 inches wide by 48 inches long.
	The securement system must accommodate all common wheelchairs and mobility aids.
	The securement system must keep mobility aids from moving no more than 2 inches in any direction.
	A seat belt and shoulder harness must be provided for each securement position, and must be separate from the security system of the mobility aid.
Vehicle	es under 22 feet must have:
U	One securement system that can be either forward or rear-facing.
	Overhead clearance must be at least 56 inches. This includes the height of doors, the interior height along the path of travel, and the platform of the lift to the top of the door.
Vehicle	es over 22 feet must have:
	Must have 2 securement systems, and one must be forward-facing, the other can be either forward or rear-facing.
	Overhead clearance must be at least 68 inches. This includes the height of doors, the interior height along the path of travel, and the platform of the lift to the top of the door.
	Aisles, steps, and floor areas must be slip resistant.
	Steps or boarding edges of lift platforms must have a band of color which contrasts with the step/floor surface.

### Level of Competition Worksheet 2

1. Inventory of Transportation Operators in the Service Area

		Column A Operators Available	Column B Operators Contracted in the System.	Column C Include Trips	Column D % of all Trips		
Priva	te Non-Profit		System.				
Priva	te For-Profit						
Gove	ernment						
Publi Agen	•						
2.		of the operators are	coordination contract	ors?			
3.	Of the operar		e local coordinated sys	stem, how many ha	ve the capability		
	Does the CTC have the ability to expand?						
4.	Indicate the date the latest transportation operator was brought into the system.						
5.	Does the CT	C have a competit	ive procurement proce	ess?	<u> </u>		
6.		ve (5) years, how the transportation of	many times have the foperators?	ollowing methods b	peen used in		
	Low	bid		Requests for prope	osals		
		ests for qualificati tiation only	ons	Requests for interest	ested parties		
		·	n the previous page wa	ns used to select the	current		

7. Which of the following items are incorporated in the review and selection of transportation operators for inclusion in the coordinated system?

Capabilities of operator
Age of company
Previous experience
Management
Qualifications of staff
Resources
Economies of Scale
Contract Monitoring
Reporting Capabilities
Financial Strength
Performance Bond
Responsiveness to Solicitation

Scope of Work
Safety Program
Capacity
Training Program
Insurance
Accident History
Quality
Community Knowledge
Cost of the Contracting Process
Price
Distribution of Costs
Other: (list)

8.	If a competitive bid or request for proposals has been used to select the transportation operators, to how many potential operators was the request distributed in the most recently completed process?								
	How many responded?								
	The request for bids/proposals w	The request for bids/proposals was distributed:							
	Locally	Statewide	Nationally						
9.	Has the CTC reviewed the poss than transportation provision (su		<b>.</b>						

### Level of Availability (Coordination) Worksheet 3

Planning – What are the coordinated plans for transporting the TD population?
Public Information – How is public information distributed about transportation services in
the community?
Certification – How are individual certifications and registrations coordinated for local TD transportation services?
L
Eligibility Records - What system is used to coordinate which individuals are eligible for
special transportation services in the community?

Call Intake – To what extent is transportation coordinated to ensure that a user can reach a Reservationist on the first call?
Reservationist on the first can:
Reservations – What is the reservation process? How is the duplication of a reservation prevented?
Trip Allocation – How is the allocation of trip requests to providers coordinated?
Scheduling – How is the trip assignment to vehicles coordinated?

Transport – coordinated?	How a	are the	actual	transportation	services	and	modes	of tra	nsportation
Dispatching -	- How is	the real	time co	ommunication a	and direction	on of d	lrivers c	oordina	ated?
General Service coordinated?	vice M	1onitor	ing –	How is the	overseein	ng of	transpo	ortation	operators
				_		_		_	
Daily Service	Monit	toring –	- How a	re real-time res	olutions to	trip p	roblems	coordi	nated?

Trip Reconciliation – How is the confirmation of official trips coordinated?
Billing – How is the process for requesting and processing fares, payments, and reimbursements coordinated?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Reporting – How is operating information reported, compiled, and examined?
Cost Resources – How are costs shared between the coordinator and the operators (s) in order
Cost Resources – How are costs shared between the coordinator and the operators (s) in order
Cost Resources – How are costs shared between the coordinator and the operators (s) in order
Cost Resources – How are costs shared between the coordinator and the operators (s) in order
Cost Resources – How are costs shared between the coordinator and the operators (s) in order
Cost Resources – How are costs shared between the coordinator and the operators (s) in order

Information Resources – How is information shared with other organizations to ensure smooth service provision and increased service provision?
Overall – What type of formal agreement does the CTC have with organizations, which provide transportation in the community?
